

Sensitive Santa social story 2019 Dapto Mall

I am going to
Dapto Mall

I will meet Santa.
I can talk to him

and give him a high five if
I like

There will be 2
people there
with a camera to
take my photo
with Santa

I can bring
anything that will
help me have a

nice time. This might include headphones, fidgets or my favourite toy

Or I can choose something fun from the sensory box to help me feel calm like:

A light up ball

A soft animal

A heavy snake on my
lap or around my
shoulders

A sequined
pillow I can rub

Or a fidget to play
with

If the noise
bothers me I can
borrow
headphones

I can sit on
Santa's lap

Or on his chair
next to him

Or on a little red
chair next to
Santa's chair.

The photographer
will let me know that
she will take the
photo. I can smile if I
like!

If I get upset or overwhelmed I can:

Ask for a break

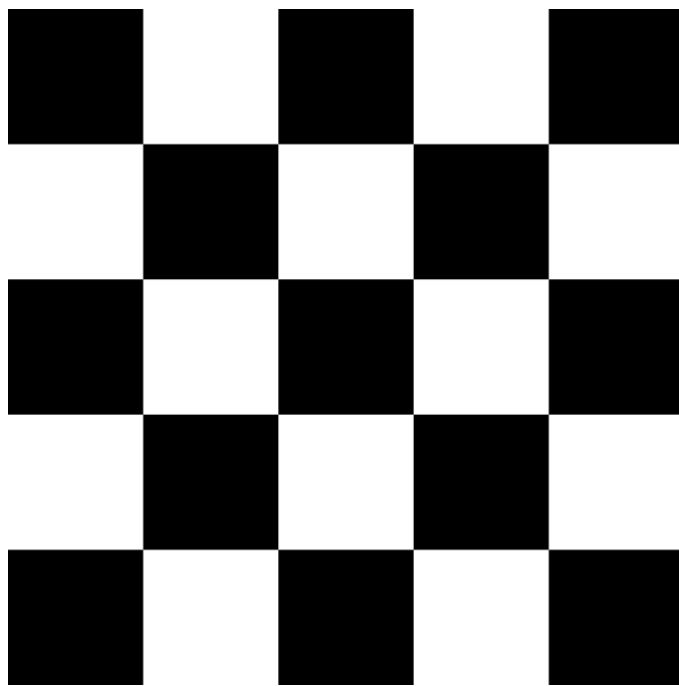

Or ask to go to a quiet space

After my photo is
taken it's time to
say goodbye to
Santa

*We hope you have a
wonderful Christmas!*
